

Windstone Acupuncture Clinic | 11658 N Huron, Ste 200, Northglenn, CO 80234 | 303.362.0596
info@windstoneacupuncture.net

First and foremost the safety of our patients, staff, and communities are of importance.

Procedures for getting treatment from Windstone Acupuncture:

Pre-Screening

Patients will no longer be screened for symptoms prior to the appointment. If you are sick, please cancel your appointment.

Signs and Symptoms:

- Fever or respiratory issues (Shortness of Breath/ Cough/ Difficulty Breathing)**
- Chills, Muscle Pain, Headache, Sore Throat
- Loss of smell or taste

If a patient has knowingly been exposed to Covid-19 they will need to reschedule for at least 14 days later.

Day of Service:

Temperature checks will no longer be performed.

Patients will be subjected to the following protocol:

- Must wash/ sanitize hands before entering clinic.
- Must go directly to treatment chair/ table.
- MUST WEAR A MASK.** Cloth masks are acceptable for patients. If no mask, patient will be charged \$2 for clinic surgical mask. If mask supply is low in clinic, service will be denied.
- Patient will practice safe coughing and sneezing etiquette.

Clinic protocols for your safety:

- Practitioner will be masked with a proper mask.
- Practitioner will practice hand hygiene before and after every encounter with patient and when touching things in between.
- Treatment space will be disinfected before and after each patient using an EPA approved disinfectant. **The one used is cruelty free, without toxic chemicals, and does not have a noxious smell.*

(over)

- Seats/tables will be covered in a one time use sheet which is laundered afterwards.
- Patients will be at least 6 feet away from any other patient.
- Payment is encouraged to be contactless, by credit card over the phone or by Venmo or Paypal but if you must pay with cash or check, please bring it in an envelope. Emailed receipts are encouraged.
- All common area will be disinfected regularly with increased cleaning protocols related to high-touch surfaces like door handles, keyboards, counters, chairs, etc.
- All staff will be screened regularly and will not work if exposed to or showing any symptoms.
- Hand sanitizer and trash receptacles are placed at various locations around the clinic.
- HEPA air filters are used in the clinic.
